

COMMUNITY GRANTS ELIGIBILITY CRITERIA

PURPOSE

Bell Bay Aluminium has a long-standing policy of supporting the Tasmanian community.

Our support for the community is provided through a range of initiatives including the Community Assistance Programme (CAP), Community partnerships, in-kind support and the donation of equipment and resources.

Bell Bay Aluminium also provides additional support through its Community Grants Program. This initiative aims to provide financial support for community organisations not eligible to receive funding under our existing community program.

CONTEXT

Bell Bay Aluminium's support for the Tasmanian community is built on a foundation of mutual respect and long-term commitment. Our support is directed towards improving quality of life, particularly through encouraging the pursuit of excellence and building community capacity.
